Joseph has worked with pianos since he was 18 years old, training and working as a tuner and technician for 10 years before establishing Taylor Pianos in 2008 with his wife Beck. Joseph is a highly experienced and qualified craftsman having furthered his skills attending training with the PTA, by attending courses in Germany with the manufacturer Renner and by working alongside leading concert tuners and technicians within the profession. He is a member of the Piano Tuners Association, is a Renner Trained Technician and member of the Institute of Musical Instrument Technology, currently serving as a council member. Joseph is passionate about pianos. Taylor Pianos provides a comprehensive list of piano services for grand and upright pianos including tuning and servicing, action regulation, hammer toning and voicing, repairs including mechanical and casework, full restoration including soundboard, stringing, hammers and all working parts of the instrument, French polishing and polyester repairs, removals by specialist piano removers, piano hire, sales and purchasing advice. Whether your piano is an upright or a grand, a domestic or concert instrument, Joseph Taylor Pianos offers a complete care service – from tuning, toning and voicing, through renovation, to complete restoration and re-polishing. We are happy to advise you on buying a piano, and also offer a sales and hire service. Joseph Taylor Pianos - Piano Tuning - Piano Restoration - Piano Sales
