

Malcolm Dalton FIMIT (Mayfair Pianos)

CR2

Phone: 020 8660 1719

Mobile: 07974 310765

Malcolm Dalton is an Accredited Fellow of the Institute of Musical Instrument Technology and is the sole proprietor of Mayfair Pianos. Mayfair Pianos was founded in 1974 and was formerly the tuning department of a leading west end piano manufacturer and dealer. Malcolm tunes and repairs all makes of piano and other keyboard instruments, from brand new to over 120 years old. He offers a friendly professional service and has extensive experience of working at many leading Concert Halls and other musical venues, Piano Dealers, top west end Hotels, Colleges of Music, Schools, Music teachers and Professional musicians, TV Studios, Churches, etc. Malcolm has been checked and cleared through the CRB process by the British and International Federation of Festivals. Fees are reasonable and competitive and visits are arranged by appointment for a single tuning of one piano to regular and frequent visits for many instruments. He will also assess or value instruments and give a quotation for work to improve the condition of instruments as required.
